MINDEN ROTARY CARNIVAL ATTRACTS 7,000

WHAT A PORTAGE!

TOP PRIZE FOR 'BEST DRESSED MAN' IN LAST WEEK'S MINDEN ROTARY CARNIVAL PARADE WENT TO THIS MAN FOR HIS REALISTIC PORTRAYAL OF AN INDIAN CHIEF. ACTUALLY, HE IS AN INDIAN CHIEF. HE'S CHIEF KITPOU, A SHAMAN OF THE ALGONQUIN INDIANS CURRENTLY RESIDING IN BRITISH COLUMBIA WHO VOLUNTEERED TO HELP MAN THE CAMP KANDELORE FLOAT. CANOEING DOWN MINDEN'S MAIN STREET WITH CHIEF KITPOU IS DEBBIE INGRAM, 10, DAUGHTER OF IVAN INGRAM OF MINDEN.

This year's Minden Rotary Carnival drew a total of 7,000 people to the rides and attractions last Wednesday and Thursday and in the process raised $3,500 for the Minden Rotary Club's community service projects.

Weather was cool but dry for the parade on Wednesday. Best Overall Entry was Campbell's Florists' 'The Boomin' Express'. Winner of the Best Float-Resort category was L'il Buckaroo Riding Ranch. Best decorated car was Stedman's flower car. The Highland Crest Senior Citizens won the Best Group prize. Chief Kitpou, a genuine Indian Chief now living in British Columbia who is a Shaman of the Algonquins won the Best Dressed Man award. Nora Hogg, owner of Miss Nora's Hair Styling took the prize for Best Dressed Woman while Lawrence Pritchard won the Best on Wheels award.

Following the two-day carnival, Minden Rotary Club President Bill O'Brien thanked all who contributed to its success, including the Carlings' Aerobatic Team and MacDonald's Export for their help with the parade. Fifty-fifty draw winner was David Wright of Georgetown who won $900.00.

Bottles break signs

Partying motorists who fling empty beer bottles at forest fire prevention road signs near Minden have destroyed seven signs so far this year. So say officials of the Ontario Ministry of Natural Resources which maintains the handsome signs suspended from wooden posts on all highways in forested areas of the province.

A broken beer bottle at the scene of each damaged sign has prompted Natural Resources' Crew Leader, Fred Rolfe, to publicly issue a warning to any motorists tempted to use the signs for target practice. Charges of malicious damage as well as charges under the Liquor Control Act may be laid against the culprits if caught.

According to Rolfe, the cost to the taxpayer for replacement of each sign has been about $25.00.

Jazz treat for Minden

They call them the happiness boys of mainstream jazz: that's the Illinois Jacquet Trio with Illinois Jacquet on tenor sax, Milt Buckner on organ and Jo Jones on drums and they'll be coming to Minden Community Centre August 9 for the Canadian Blues and Jazz Festival.

Each of the trio have appeared with Jazz at the Philharmonic, the Newport Jazz Festival, the Monterey Jazz Festival and many outstanding engagements in Europe, Canada and the U.S.

Special Festival guest is trumpeter Russell Jacquet who has been making jazz history playing with greats like the late Lester Young, Jimmie Lunceford and Coleman Hawkins.

Beautiful vocalist Miss Jodie Drake is the very special guest of the evening. Latest jazz opinion is that this young Canadian girl is on her way to the top fast. With a repertoire ranging from haunting ballads to 'gut' blues, she combines a unique singing style with thrilling stage performances to produce standing ovations and thunderous applause from New Orleans to Toronto.

All of the Festival performers are incredible giants of jazz and blues.

Minden was chosen as the site of this first Canadian jazz festival thanks to the efforts of Bill Hutchison and the Minden Rotary Club.

Proceeds from the event will aid the Community Service Projects of the Minden Rotary Club and in particular the Five Counties Crippled Children's Centre.

Advance tickets are available at the Minden Progress office, Rockcliffe Hotel or at the Community Centre itself (after 8 p.m.) on Aug. 9. (See page 3).

2 die, $20,000 in damages

Some 23 accidents claimed two lives, caused $20,000 in damages and left 14 injured in the district's worst holiday weekend of the year.

Richard Laverne Turner, 22 of Quebec was killed Sunday when he was pinned underneath his car in Saskatchewan Lake. The northbound vehicle veered off Highway 35 where it struck a rock and continued over the embankment into four feet of water. Dr. H.E. Good was attending coroner.

Carolyn Bernard, 18, of Islington was killed in a Saturday afternoon accident when a car driven by Shelly A. Holliday, 17, of Toronto entered Highway 35 from the Kinmount turn on Highway 121 and collided with a south bound vehicle driven by Suzann Morin, 20, of Willowdale. Miss Norin suffered cuts and bruises.

Miss Holliday received a fracture and concussion.

Coroner Dr. R.K. Hollows of Lindsay attended.

David A. Thomson, 19, of Arnprior was charged with careless driving following a collision Saturday on Hwy. 121, just west of the Essonville line where he crossed the centre line and hit an oncoming car driven by Vincent Del-duca, 19, of Windsor. Thomson received bruises in the $3,500 accident.

Charges of careless driving and having no insurance were laid against Brian Saville, 22, of Ajax after he lost control of his vehicle on Hwy. 121 west of the Drag Lake Lodge turn Friday, entered the ditch and hit a tree. Saville and a passenger, James Leslie Smith, 21, of Whitby both received cuts and bruises.

No helmets brings fine

Five young men off for a Dominion Day swim who thought they could dispense with the required helmets for a three mile motorbike ride to Hawk Lake were fined $25 each in Minden traffic court Tuesday. The five — Harney Cassady, 22, Robert Redfearn, 20, Henry Grixti, 21, Wayne McGhee, 20, and Dennis Towarnicki, 21, all of Whitby were stopped and charged with failing to wear motorcycle helmets by OPP Constable Robert Wood.

ON VACATION....BACK IN SEPTEMBER

Telephone service comes to Haliburton County

By Lawrence Pritchard

In the Summer of 1921, a meeting was called to discuss a telephone system for Minden Township. It being favorable, three men were elected as commissioners and one as secretary-treasurer. Elected commissioners, I believe, were Tom Rogers, Frank Gartshore and Dr. Frain. R.H. Baker was made secretary-treasurer.

These men were given authority to arrange for a township telephone system. They engaged Patterson and May as contractors to build a line from Minden village to Carnarvon; erecting all poles, cross arms and necessary wires, including installing the switchboard at Minden. All material supplied by commission. The switchboard was installed in the Jones Hotel but was then owned by Reed Gauldie and was used as a boarding house. No hotel was needed then as everything was dry except the river and a few swamp stills.

This work was started October 20, 1921, 53 years ago.

The Dysart and Stanhope systems started a few months previous and had a connection from the Stanhope switchboard at Haliburton, giving Minden their first phone connection to Haliburton in January, 1922.

The first connection to the outside world was started a year or so later by utilizing the one wire line that ran from Sowards general store, later owned by E.A. Rogers, to Kinmount Station. This was a railroad system to a new switchboard. A two wire system was installed and connected to a new switchboard installed in Kinmount on the Burnt River system which had a connection to Fenelon Falls. This gave the area a connection through Kinmount and Burnt River to Fenelon Falls.

In the early 1920's Minden telephone subscribers turned down a proposal to build a direct line to Coboconk which would have connected with the Bell system.

Shortly after this the Dysart system decided to run its own copper line to Fenelon Falls, starting at Haliburton and building to Allsaw bridge. From there to Minden pin space was provided on the Minden poles connecting to the Minden switchboard then taking the galvanized wire off from Minden to Kinmount and installing the copper. The Kinmount switchboard took care of the Burnt River system which had a connection through to Fenelon Falls. Following this the Burnt River system was overhauled from Kinmount to Fenelon, installing a few new poles and all new cross arms in order to provide pinspace for the Dysart copper line. Once this work was completed from Kinmount to Fenelon and connected to the Fenelon board it gave a direct line from Haliburton to Fenelon Falls. It was completed I believe in August, 1926 and had taken most of two summers to complete.

In 1927 Dysart constructed a line to Gooderham and installed a few telephones there, giving Gooderham their first telephone service. This service was dialed from Haliburton switchboard as one circuit. Sal Hadley, Reeve of Glamorgan at that time, helped to take the pole line on Buckhorn Road.

This is how my memory sums it up, and I won't say the dates, etc. are all correct, but I believe them to be very close.

But many changes have taken place since 1921, not only the telephone system, but a great step forward in many things, township roads, highways, etc. Especially the tourist industry, which is the county's greatest asset. As I have stated Minden's first telephone work was started October 20, 1921.

I started to work for Mr. Patterson's construction foreman. When his contract was finished in January, 1922, he gave the commissioners my name and suggested I be asked to be their maintenance man on the system. I took the job and in the winter of 1923 I attended a one week school at Peterborough on maintenance work.

I continued this work for ten years and during the last 3 - 5 years, I also worked for the Dysart system. During those years I constructed several new lines for both Minden and Dysart.

In the Dysart system I changed the line from the corner of the Old Guilford Road near Haliburton to Guilford removing side blocks and installing cross arms and running more lines to Guilford to accommodate the added telephones in that district.

I also did the work on the first long distance line from Haliburton to Fenelon Falls and connected it to the Fenelon switchboard. I also built the line from Haliburton to Gooderham, installing a few phones there.

I enjoyed this work and appreciated the cooperation I received from both Minden and Dysart boards.

Arthur Batchelor was secretary-treasurer at that time. Jim Lucas and Bill Nichol were two of the commissioners as was W.F. Curry. E. Roberts was one of the operators on the switchboard.

UFO's BEYOND REASON

by PETER G. SWEET

WHAT PROMINENT PEOPLE HAVE SAID

...Part 3

17th in a Series

Stanton Friedman, a nuclear physicist for the past fifteen years, has worked on the development of nuclear aircraft, nuclear power plants of space and Earth applications and fusion rockets. For over ten years he has studied and lectured throughout the United States and Canada on UFO's. He says the subject is 'the most challenging scientific problem of this or any age'.

In a paper presented before the Congressional Hearings on UFO's, which was held by the U.S. Committee on Science and Astronautics in Washington, in 1968, Friedman stated:

"Technological progress has come from doing things differently rather than using the same technique. Microcircuits aren't just smaller vacuum tubes and lasers aren't just better light bulbs.

A particularly interesting aspect of UFO data from all over the world is that many observations suggest what is being observed is a vehicle having a plasma region adjacent to it because of the glow associated with changes in velocity, luminous boundary layers, and the appearance on film of regions not seen by the naked eye.

During the past decade, a vast amount of our technology, much of it classified, has been developed concerning the interactions of airvorne vehicles and plasmas. The development of lightweight, compact, high-field super-conducting magnets has also led to much work on the ptoential benefits to be derived from placing a magnet within a highspeed vehicle to interact with a plasma around the vehicle".

Speculating on why UFO's are quietly surveying our planet, he believes:

"They may want to establish a crop here for future harvest, with or without our permission".

Maybe we are somebody's colony and they are checking up on our development".

"They may know about some man-made or natural catastrophe about to occur on this planet, and are obtaining data prior to it".

"Perhaps they want to settle here. Earth is unique in the solar system in having both a high specific gravity (lots of metal) and lots of water".

Commenting on the setup of operation of private investigation bodies and if they are any guarantee of real contact being made with the alien pilots Stanton Friedman says: "That would depend a lot more on them than on us. Perhaps we first have to ask ourselves are we really serious about wanting improved propulsion systems and knowledge of extraterrestrial life".

A few years before her untimely death, Dorothy Kilgallen, a Broadway columnist and television personality reported in the NEW YORK JOURNAL AMERICAN from London this story:

"I can report today on a story which is positively spooky, not to mention chilling. British scientists and airmen, after examining the wreckage of one mysterious flying ship, are convinced that these strange aerial objects are not optical illusions or Soviet inventions, but are actually flying saucers which originate on another planet. The source of my information is a British official of Cabinet rank who prefers to remain unidentified.

He says: 'We believe, on the basis of our inquiries thus far, that the saucers were staffed by small men--probably under four feet tall. It's frightening but there is no denying the flying saucers come from another planet'. (End of quote).

This official quoted scientists as saying a flying ship of this type could not have possibly been constructed on earth. The British Government, I learned, is withholding an official report on the 'flying saucer' examination at this time, possibly because it does not wish to frighten the public. When my husband (Richard Kollmer, Broadway producer and radio commentator) and I arrived in London for a brief vacation, I had no premonition that I would be catapulting myself into the controversay over whether flying saucers are real or imaginary".

EDITORIALLY

A night to Remember

Minden never had it so good!

We're referring, of course, to this Friday evening's Canadian Blues and Jazz Festival in the Minden Community Centre.

What makes this such an outstanding event is the caliber of the performers: the Illinois Jacquet Trio and their special guests. They're just greats, all of them, veterans of such highly regarded modern music symposiums as Jazz at the Philharmonic and the Newport Jazz Festival.

That Minden has been able to grab them for this event and claim the rights to this first-of-its-kind Canadian Blues and Jazz Festival is a remarkable achievement and it deserves our wholehearted support...every last one of us!

Actually, it's Minden's opportunity to embark on an annual project that could eventually mean as much to this community as the Shakespearian festival has meant to Stratford Ontario.

Saving Lives

Recently released U.S. highway statistics indicate that so far this year highway traffic accident deaths in the U.S.A. have dropped by some 6,000. They say the only significant change that can possibly account for this dramatic drop in fatalities has been the reduction of highway speeds to a uniform 55 miles an hour, a national effort begun last Fall to ease that country's petroleum shortage.

Dead, six thousand bodies are a lot of bodies. Stretched end to end they would span close to six miles. Alive, they are something more...6,000 persons contributing to and enjoying a life they would otherwise have departed by now.

This startling and encouraging report from the U.S.A. merits close study by Canadian traffic authorities at all levels.

If, as it appears so far, reduction of highway speed limits to 55 m.p.h. will effect a significant saving of lives, then we should consider a similar speed limit reduction for our own highways.

Let's fact it. Saving lives has to rate higher than those few extra miles an hour.

DOLLARS & GOOD SENSE

by WILLIAM J. MARTIN
Special Consultant to Avco Financial Services

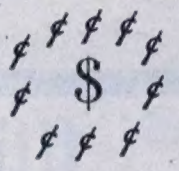
Dear Mr. Martin:

What happened to good old cash? It seems that if you don't have a few credit cards today, no one trusts you.

R.F.J.

Dear R.F.J.:

The credit cards are indeed a very convenient method for retailers to judge your general credit worthiness, and the worthier you seem to be, the more merchandise they will "trust" you with. The use of credit continues to increase each year, but good old cash isn't dead.



A recent report by the Federal Reserve Bank in San Francisco indicates that the use of coin and currency is also increasing. In 1973, that bank paid out some $9.5 billion in cash, compared to $8.4 billion in 1972.

Vending machines, newspaper dispensers, parking meters and other coin operated machines keep coin use up. In many areas, retailers have joined in programs to offer discounts to card carrying cash buyers, offsetting the cost of credit to the store.

Establishing good credit and having a few credit cards is simply good business these days, however. The proper use of credit can be a great budget aid, and in an emergency, credit can be a lifesaver.

Use your cash if you prefer, but keep a credit account or two. It's better than trying to beat the system.

BUT, AS CARS INCREASE SPEED, IT'LL SOAR

LETTERS

1020 N. Inkster Road,
Dearborn Heights,
Michigan, 48127.

To the Editor,
Minden Progress,
Minden, Ontario, Canada.

Dear Bill:

Sorry my renewal fee has been delayed, but I did not want to trust this letter and the money to Her Majesty! the money to Her Majesty's post office. This is not meant as a slap at the local post office people in Minden, but somewhere in between our house in a Detroit suburb and Minden, there must be somebody who doesn't believe in progress. Now somehow they are not very interested in the Toronto morning paper to which I subscribe, (to keep up on international news), as ninety-nine times out of a hundred, that paper arrives on our doorstep the day after printing. The Progress, however, arrives anywhere from five days to five weeks late. Sometimes we get two or three at a time! Maybe if Mr. Trudeau was to get a free complimentary subscription, he might find out the delaying point and appoint your friend Norm Maidens as a committee to improve postal services in Ontario. That would be a great service to us all, because I am sure he could find some way to improve just about anything in need of improvement.

Kindest regards to the staff,
Yours for Progress,

Dave Elliott.

Dear Sir;
After receiving many questions from different people around town, about how our project was going we decided we would write another letter to inform you and your readers just what we have accomplished thusfar.

At present we have completed one complete hike trail approximately six miles long. It is a very scenic trail, much wildlife being viewed along it. We have also finished a canoe route from East Lake to Van Koughnet. This route includes several portages (one five hundred yards long which by-passes a beautiful water fall). Another canoe route from Margeratt's Lake to the South Jean Creek has almost been completed. The lakes in this area are really beautiful.

At the end of our project we will be printing a pamphlet explaning our routes in detail (their location, length etc) and we hope that people from our area will try their skills at hiking and canoeing along our trails.

sincerely,
Marg Ackerblade Kirk Hewit
Harold Morgan Barb Payne
John Sanderson Laurie Brown

The Editor

Dear Sir;
I enclose five dollars for a further years subscription to an excellent newspaper.

I would like to say that when Mr. & Mrs. Bill Mole were with us for a short holiday we all went to the Ontario Science Centre. Here we were very pleased to locate the block for the huge quilt sent in by Minden Womans Institute and being an old member of Wexford Womens' Institute when we were all farmland here in Wexford, Scarborough I was very interested.

Congratulations also to Candelore Camp for the excellent exhibt of their birchbark canoe. It was a dandy. Many Thanks

Yours Truly

Mrs. Aileen Stirling

July 26, 1974

Editor
Minden Progress
Minden, Ont.

Dear Sir:
While watching tonight's news concerning parking meters in Wasaga Beach, it occurred to me how lucky we are in Minden. It is a credit to Reeve Reg Booth and the Township Council that they have not seen fit to follow just another method of 'fleecing' the tourist, Minden's largest industry. I would certainly agree to restricted hourly parking on the main streets but the one-armed bandits installed in almost all tourist towns around us are a cheap symbol of nickel and diming the community's lifeblood.
Congratulations, Minden.
Yours sincerely,
Walter H. Barnes,
Mountain Lake.

CENTENNIAL CORNER

SOME MORE FACTS ABOUT HALIBURTON COUNTY

(From the back of Registry Office Letterhead in the 1940's)

'Haliburton County is only 110 miles (3 hour drive) north-east of Toronto, and is reached by a splendid new Provincial Highway passing through Lindsay and on through Coboconk, Minden, Haliburton, Dorset and other points, or reaching the southern and eastern section of the county through Fenelon Falls and Kinmount on to Irondale, Gooderham, Tory Hill, Wilberforce, Highland Grove, etc. These roads pass many beautiful lakes. Modern stores, Inns, Hotels, Service Stations and Villages dot the County of Haliburton at frequent intervals.

Come to this 'New Playground of America'. Motor along among its many lakes of pure sparkling water, bathe in them and feel their invigorating freshness impart the flush of health; fish in them for Trout, Bass, etc., and taste the delicious flavor of fish fresh hooked from 'Highland Lakes', or roam in the cool, secluded, quiet places among the hardwoods, evergreens and silver birches for which Haliburton County is noted.

Choose your lake shore property NOW in 'Beautiful Haliburton'.

Lake lots, with beaches of golden sand, at very reasonable prices may be obtained from property owners in all parts of the Highlands.

Get your slice of Haliburton beauty this year, or you may be too late.

COMING CENTENNIAL EVENTS:

Fri. August 9 - Minden Rotary Centennial Celebration - Canadian Blues and Jazz Festival at Minden Arena

Sat. August 17 - Lions Centennial Street Dance, Dorset

Sat.-Sun. August 17-18 - Centennial Folklore Festival - Camp Kanalore (1/2 mile south of Ox Narrows, Highway #35)

Sat.-Sun. August 17-18 - Eastern County Centennial Weekend (Bicroft, Cardiff & Monmouth)

Saturday - Centennial Ball - Wilberforce Arena
Sunday - Centennial Pancake Breakfast
- Centennial Horse Draw

Fri. August 16 - Glamorgan Library Centennial Celebration - Theo Peacock at Gooderham

Sun. August 18 - Monmouth Library Centennial Open House and Exhibition at Wilberforce.

HALL'S LAKE NEWS

by Doreen Stinson

Mrs. Dorothy Vickers of Kerrobert, Saskatchewan has been paying a visit to her twin brother, Mr. Thomas Weir, his wife and family on Boshkung Lake. Miss Marjorie Weir is also holidaying at the family cottage with a friend.

Ken Rawlins and Miss Lesley Wadsworth of Toronto spent the long week-end with Ken's parents at Alkamali Resort. Ken entered his nice new sail boat in the Dorset Regatta on Monday and came in second in the race for his Class—congratulations Ken!

The Edwards' wedding took place on Saturday at St. Peter's Church, Maple Lake, with a Reception following at Club 35.

A happy event took place on Sunday at the home of Mr. and Mrs. William Richardson when a joint celebration took place to honour the birthdays of Mrs. Richardson and her Grandson Danny, with all the family present.

The Annual Bazzar and Tea held last Wednesday by the Ladies' Guild of St. Stephen's Church was bery successful and the women report that well over $500.00 was realized for their efforts. The ladies work all year making articles for sale at this event and are always grateful for the response and enthusiasm from both local people and the tourists and visitors from the surrounding areas.

A lovely new red carpet has been laid in St. Stephen's Church, partly a gift from the Ladies' Guild.

We attended a well worth-while musicale last Thursday evening at the Forest Rangers' School (now properly called the Leslie M. Frost Natural Resources Centre) when the Bach Youth Ensemble with Mr. Patrick Burroughs as Musical Director rendered an amazingly stimulating evening of music. Approximately 28 young men and women with vilins, violas, cellos and bass instruments kept everyone enthralled with their ability and pleasing mixture of both serious and amusing repertoire of pieces. We noticed Marily Stouffer was there with several members of the Carnarvon Church choir.

Last Thursday evening several local people also attended the pictures which the Rev. Andrew Hutchison and Mr. Lloyd Johnson took when on their visit to the Holy Land last Spring. Those who went from Hall's Lake said their enjoyment was immense and remarked on how well the two men explained each picture. These were shown at St. Peter's church, Maple Lake.

Mr. & Mrs. Robert Conway from Orchard Park N.Y. are at their cottage "Blue Bay".

Goll-ee!

Stompin' Tom Connors came to Minden last Friday and thrilled some 2,400 persons with a two-hour, toe-tapping concert, but no one got a bigger thrill out of Stompin' Tom's appearance than Progress summer receptionist, Rose Ann Klein, 16 year-old Haliburton Highlands Secondary School student, who met Stompin' Tom and had her picture taken with him before the show. Asked if he had visited Haliburton County in his old hitch-hiking days, Tom said: 'This is one of the few places left in the country I haven't seen until now. It's wide open. It's clean. It's country and I'd like to come back again soon'.

Can IDB help you?

one of our representatives
J.I. McKIERNAN
will be at The Wagon Wheel Motel,
Minden, on Wednesday, August 14, 1974 between 10.00 a.m. and 3.00 p.m.

Many businesses including

Agriculture • Manufacturing
Tourism • Construction
• Professional Services
• Transportation • Wholesale and Retail Trades,

have obtained loans from IDB to acquire land, buildings, and machinery; to increase working capital; to start a new business; and for other purposes.

If you need financing for a business proposal and are unable to obtain it elsewhere on reasonable terms and conditions, perhaps IDB can help you.

COMMENTS FROM PERROTT'S PERCH

The summer of our Centennial year is more than half over and it has been a busy one any way you may look at it. At the Information Booth Marion Arntfield and Judy Boice have been very busy guiding our visitors in many ways. As in past years the question asked most frequently is "where are the washrooms?" It is a question that should be able to be answered in the affirmative and I think it would be one of the most worthwhile projects for any local group or Council, to build adequate facilities at the Welcome Centre.

The Chamber is embarking on their 1975 Haliburton Highlands lure book and we hope to have the best book ever published. It will be the only booklet published by the Chamber and it will be distributed widely throughout the U.S.A. and Canada. It will also be sent to all those who inquire about any goods, services and accommodations available in the Highlands.

There will be many pages in color, depicting some of the beauty spots in the County, and advertising space willbe available to members on a first come basis. Interest in the book has been very high, especially with it being the only one printed.

Time is important as we have a deadline early in the Fall. As quickly as I can I will be calling to solicit your ad. Let us all get behind this Chamber project and help make good things happen in the Haliburton Highlands.

ABOUT THE TOWN

with Jeanne Sears

This years Rotary Carnival was crowded both nights. The Parade had a Centennial Theme and the entries were excellent. Thursday night at 7, four light airplanes gave an excellent performance of their skill; we didn't get up where the noise was but had an excellent view as did many others from their homes. The Rotarians are to be congratulated on two evenings of excellent entertainment for young and old.

Persons in hospitals include Harold Rice in Toronto General, Gary Vasey at Ross Memorial and Junior Barry at a local one. Also, Molly Locke is in Riverdale Hospital, Toronto. All their friends send good wishes to them.

The U.C.W. had a good sale of Baked Goods, Friday morning but wouldn't you know raining again so they were in Stedmans (Gerry Pillsworth is very obliging) and all the goods sold promptly.

Saturday was a busy one at the Curling Club--the morning was the Rummage sale and at 11 with Auctioneer Doug Pritchard the goods were sold. The crowd was generous and articles sold quickly. We know this sale must have taken a good deal of effort on the part of the members, but everyone likes an Auction Sale.

Last Tuesday was a Buffet Supper at the Home of Mr. and Mrs. Stan Sarjeant of Orillia in honour of Mr. and Mrs. John Bumister and family of Epsom Downs England who are holidaying with their parents.

Richard Parisotto is away for a visit with his family who are holidaying in Northern Ontario and all will return later this month.

Audrey and Bert Chamberlain and Doug have returned home after a 2 week holiday at their cottage in this County and visits with the Glenn Stamps and the Bill Moores.

Congratulations to Sherry and Eric Cooper on the arrival of their new daughter Jodie Marie.

I accept it, I know it.
You are not going to be
The class president,
The valedictorian,
Or the neatest child in the country.
But you know something?
Iwouldn't trade you for
Six votes or Seven A's
But once--just once
Couldn't you comb your hair
And wear clean pants?

A Mother---Lois Wyse.

There was a Friendship Tea at the home of Mrs. Chris Lazier on Thursday afternoon, in honour of Mrs. J. Bumister. Pouring tea was Mrs. Stan Sarjeant of Orillia and assisting were Chris Dollo and Rose Waters,

Mr. and Mr. Harold Todd and Family of Richmond Hill were visitors with Mrs. Alice Todd.

Lloyd Johnson will be showing the Slides of the Trip to the Holy Land at Minden United Church Hall Tuesday August 13th at 7:30 p.m..

This year as usual there will be the Fine Horse Show in a separate Ring at Minden Fair. The Horse Drawing Contest is an Annual Event and of great interest to many. Hopefully there may also br pony rides for the youngsters as well- don't forget the dates Aug. 25 and 24th.

We note that Yvonne Beaucage had her stand set up beside Bob's T.V. exhibiting Indian Crafts for sale. She was unfortunate in losing her other crafts in the Curiosity Shop fire. The crafts she has at her stand are authentic indian ones, so stop in for a look even if you don't buy anything.

Mr. and Mrs. Don Berry enjoyed the Family gathering at Parry Sound on Sunday.

Glen Sears, Louise and Bernice of Toronto were weekend guests with the Milton Sears.

Gerald Coulter of Toronto was a weekend guest with his parents Mr. and Mrs. Angus Coulter.

Linda Adams of Lindsay spent a few days last week with Mr. and Mrs. Bill Moore.

Guests with Mr. and Mrs. Bob Hughes were Mr. and Mrs. Blake Hughes and Amy of Port Credit.

We heard that Simpson Sears Order Office will be closing after the 13th any orders will be coming through the Post Office.

Sincere sympathy to the family and friends of the late Bill King whose funeral was last week.

Mr. and Mrs. Les Clayton of Flagstaffe Arizona spent the weekend with Mr. And Mrs. Glenn Stamp.

Some accidents over the weekend - roads are slippery when wet. Drive and swim safely and enjoy your holiday.

Cheerio until next week.

Rotary project

Minden's Rotary Club is lending a helping hand to physically handicapped children as part sponsor of the Five Counties Children's Centre in Peterborough. In fact, proceeds from the club's Canadian Blues and Jazz Festival here in Minden this Friday will go towards this worthwhile project. Above, Peterborough mayor, Phillip Turner and Mrs. Helen Willoughby turn the first sod for the construction of the $950,000 Rotary Club-sponsored Children's Centre. It is slated for completion in the fall of 1975 and will be used as a residential school and treatment centre for physically handicapped children. Clair Hilborn, President of the Rotary Club of Peterborough, Carroll Cisco, President of the Centre and Peterborough MPP John Turner were also on hand for the ceremony.

SENIOR SOFTBALL

DOMINION HOTEL - PORT CREDIT TIE HARCOURT TOURNAMENT

Dominion Hotel Shufflers and Port Credit played to a 2-2 rain called tie in the Annual Hrcourt Senior Softball tournament in Harcourt on Saturday.
Port Credit jumped into a 2-0 lead in the fourth off starting Shufflers pitcher Syd Cooper, but Dominion got this back in the top of the seventh to force extra innings. However, the Umpires called the game in the top of the eleventh because of torrential rain.
Jack Snell took over for Syd in the fourth and pitched scoreless ball the rest of the game for Dominion. Eric Mooree of Dominion was the most valuable player of the game.
Carlings Breweries will award each team $75 and each player on the two teams individual trophies.
Dominion reached the finals by downing Bancroft IGA Friday evening 15-5 and then ousted pre-tournament favorite, Bancroft Wades, 8-1 Saturday afternoon.
Havan Cook was the hero of both wins for Dominion,clouting two three-run homers in the first game and then added another three-run blast in the second contest when brought in to pinch-hit for Larry Kent.
This tournament came within an eyelash of being an all Minden final, as Gull River Buildall lost a heartbreaker 2-1 to Port Credit.
The game was a five inning affair due to lateness. Gull River scored what they felt was the winning run in the top of the fifth inning to go up 1-0. However, Port Credit won the game in the bottom of the inning on a hit batsman, (Questionable) and two errors. The most costly of which was a two out fly ball dropped in left field by Builders Ken Lewis.
This was the finest game of the tournament until the final as Port Credit scored two runs on no hits, a hit batter and two Builder errors. Gull River scoredone run on one hit and two Port Credit errors.
Gull River got to the semi-final when they blasted Bancroft Cables, 10-4. Craig Stamp not only picked up the win for Builders, but also clouted two three-run homers. Neil Burk also hit a three-run homer for Gull River.

WEST GUILFORD

1974 LEAGUE CHAMPIONS

In a sudden-death game played to decide first place and the Senior League Championship, West Guilford edged Dominion Hotel 4-1 in Haliburton on Thursday evening. This was perhaps the finest game of the season in the Senior league.
Larry Sawyer gave West Guilford a 1-0 lead in the third inning when he singled to right, advanced to second on error by the second basemen for Shufflers and scored on George Nichols single to right. West Guilford upped the score to 2-0 in the fifth when Ernie Bain singled, stole second and scored on Sawyers single to centre. Dominion cut the margin in half in the sixth when Dave Trepanier and Dave Dollo hit back to back doubles. Dollo hit back to back doubles. Dollo then stole third and was caught at the plate trying to steal home to end the Dominion rally. West Guilford added two insurance runs in the eighth on a single by Craig Stamp and back to back doubles by Bob Woodcock and Wade Stamp.
Craig Stamp picked up the victory for Redmen, giving up one run on eight hits and two walks while fanning nine. Jack Snell took the loss, allowing fourteen hits, no walks and struck out four.

ROSENBERG INCREASES

OPEN LEAD

After five complete rounds of the Minden Billiard Open Golf tournament, Ken Rosenberg holds a commanding twenty-six stroke lead, with a total of 384. The Open is a 10 round tournament with $120 in prize money at stake. Doug Heath still holds down second over third place Cliff Burke 410 to 422.
Other five round scores are Bill Payne 437, Dave Joyce 452, John Hobbs 468, Tom Boice 484 and Alf Vanderval 496.

There are four other golfers who have not yet completed five rounds, Leigh Bull, Ross Pawson, Hugh Nichols and J.O. Jackson. Come on fellows, how about catching up to the pack.

DOMINION HOTEL FORCES SUDDEN-DEATH PLAY-OFF

Dominion Hotel Shufflers won their final two games of the season this week and in doing so, forced a sudden-death play-off game with West Guilford. Both teams finished the regular season in first place with identical 16-3-1 records. The play-off game will take place on Thursday evening in Haliburton at 7.30 p.m.
On Monday evening in Minden, Dominion downed Gull River Buildall 8-3. Jack Snell picked up his twelvth win of the season for Dominion, giving up three runs on eleven hits, four walks and struck out four. Jack also helped his own cause by linin a two-run homer over the right field fence, his seventh homer of the year.
Neil Burk hit his seventh homer of the season in a losing cause for Gull River.
On Wednesday in Minden, the Shufflers made it a clean sweep of their four game series with Vasey's Midgets, this time by the more respectable score of 9-2.
Gene Newell hit his second homer of the year for Dominion. Royce Miller chalked up his fourth win without a loss, allowing just two runs on twelve hits.
West Guilford clenched a share of first place with Dominion Hotel on Sunday in West Guilford when they thrashed Vasey's Midgets 17-2.
Craig Stamp the Redmen's twenty-one hit onslaught with a five for five performance at the plate, including his league leading twelveth homer. He also scored three times and knocked in seven more runs. Larry Sawyer's bat has come alive in the past couple of games as he increased his batting average 44 points in the past two games. Larry had five hits in six trips while Floyd Henry was four for six.
Craig picked up his eleventh win of the season for Redmen while Tim Bain suffered his fourth setback.
On Tuesday evening in Haliburton, the Huskies edged Vasey's 15-11 to eliminate the Midgets from any chance of a play-off spot.
Jim Burk led the Huskie attack with his first homer of the season, a three run blast in the fourth.
The Huskies appeared to be on their way to a rout when they had a 15-1 lead at the end of four. However, the Midgets settled down and started playing ball in the fifth. They scored six runs in the inning, added another in the sixth and three more in the seventh. Warren Donaldson picked up his first home run of the year in the fifth, for Vasey's.
Haven Cook got the win for Huskies while Tim Bain took his fifth loss.

GULL RIVER BEATEN BY THE RAIN

On Sunday evening the Gull River Buildall had a 7-3 lead at the end of four innings on the West Guilford Redmen, when the skies opened up and a downpour washed out the game. This was the first game of the beast of seven semi-final play-offs.
The unfortunate part of it all was the two home runs hit by Wayne Johnson and the one towering blast by Redmen's Floyd Henry are wiped out as well as the game.
The two teams will go at it again on Thursday evening in West Guilford at 6 p.m.
The All-Star Ballots are coming in slowly to date, lots should participate in picking this team. This is your chance fans to have your team picked. In the past either the coaches or this sports writer has picked the team and there have been a lot of complaints. So let's get a paper, the Minden Progress or the Haliburton Echo, clip out the ballot and send it to either paper or just bring it to one of the offices and drop it in the ballot box, but do it. There are some people confused by the three lines at the bottom of the ballot. This 'Write In' is for players not listed on the ballot. Or, if you wish write in your picks as to the three most valuable players in the league and at what position.

Carnarvon over Gooderham

On July 16 the Minden Ladies opened their season at home with a fantastic 53-10 lambasting of their arch rival Haliburton.
The Minden offense was led by Faye Mansfield, Nelda Cully, Janet Fitchett and Norma Burk all of whom hit home runs.
Linda Berry picked up the win for Minden.

On July 23 here in Minden the Ladies made it three wins without a loss when they downed visiting Gooderham 26-6. Linda Berry and Janet Fitchett each had home runs for the winners and Linda chalked up her third straight victory.

On July 24 in Gooderham the Minden Ladies suffered their first loss of the season, 25-24 to Gooderham.

On July 30 here in Minden the Ladies routed Carnarvon 11-1. Linda Berry was again the winning pitcher bringing her season's record to 4-1. The win enabled Minden to take over sole possession of first place in the league, two points ahead of Carnarvon.

INTER-COUNTY SENIOR SOFTBALL PLAY-OFF SCHEDULE and 1974 O.A.S.A. PLAY-OFF SCHEDULE

see p. 18

DRY GOODS AND FASHIONS

Today, when 'my lady wants a new dress, it's quite a simple matter for her to enter a fashion shop and choose from rack upon rack of garments of every color, size or cut, but in the old days before the turn of the century, the housewife not only made her own clothes, but also the childrens' clothes, unless she could afford the services of a dressmaker. Very few women could afford that luxury in those days.

The dry-goods department of the geneeal store was a very important section for it was stocked with bolts of cottons, woolens, linens, linings, buttons, ribbons, braids, etc.

Delving into the old 'daybook' I find some very interesting purchases.

For instances on Sept 18th 1893 a Mr. Henry Jones purchased 4 yards of "Cashmere at 35¢ per yard, the 4 yards costing him $1.40.
I have endeavored to locate Cashmere, but find that it is no longer on the market-neither Eatons, Simpsons or any of several stores that I have visited carry it. If it could be purchased, I am sure that it would cost may dollars per yard as it is made only in Cashmere, India.
On the same date Sept 18th Mr. Richard Davis bought 5 yards of dress goods @14¢ per yard.

On Sept. 20th Mr. John Graham purchased the following

1 yard velvet - 60¢; 10 yards cotton at 5¢ - 50¢
2 yards lining at 10¢ - 20¢...Total $1.30
At today's prices 1 yard velvet $4.98
10 yards cotton $7.90
2 yards lining $2.40
Total $17.28

On Sept. 20th Miss Annie Gainer bought 2 yards Velveteen at 60¢ - $1.20
2 yards dress braid - 15¢ 30¢ 2 yards lining at 11¢ - 22¢
Total $1.72.

Todays cost would be
2 yds. velveteen @ 4.98 9.96
2 yds. braid @ 69 1.38
2 yds lining @ 1.20 2.40
$13.74

The mention of Annie Gainer brought to mind the fashions of the turn of the century for Annie was a dressmaker and was also the organist of St. Pauls Anglican church which also brings to my mind the choir of the church.
In the old days a woman would never think of entering a church without a hat, neither would she be seen in a dress that did not cover her from her chin to her toes.

The choir was composed almost entirely of women, and their attire was really something to behold as no two women would ever think of wearing the same cut or color of dress, hat or coat. As a robed choir was unheard of in those days, I leave it to your imagination what St. Paul's choir looked like. It was a medley of colors, shapes and sizes.

Womens shoes were generally high buttoned boots but were seldom exposed to view as the ladies skirts covered their ankles.

When I started to write this week's 'Then and Now', I had no idea of bringing up an odd but rather interesting religious situation that existed in the Noice family in those bygone days. To be a good Methodist, one had to be a crusader against the evils of drinking, smoking, swearing and above all, card-playing. A deck of cards in a home meant that the devil had his foot in the doorway. My father was a Methodist and a staunch one at that. He neither drank, smoked or cursed, and each Sunday evening he could be seen striding up to the Methodist church with his Methodist hymn book under his arm. But he had one failing, he loved a game of 'Pedro', so the devil had his foot in our doorway.
I cannot say for sure that the old Methodist church had a Choir but if they had, I imagine that they presented somewhat the same appearance as the Anglicans except that perhaps they wore somewhat more somber colors. Like card playing, bright colors were taboo in the Old Minden Methodist church.
One often hears the saying 'in the good old days'. In many ways the old days were good, but something was missing, seldom, if ever, did one get a glimpse of a dainty ankle or shapely lower limb, for the fashions of the day ordained that the limbs be covered.
But, on the other hand, many limbs seen on Minden's streets today should have a covering, but not all of them.

J. Joseph C. Coneybeare

Upper Canada Grad.

J. Joseph C. Coneybeare, son of the Rev. and Mrs. John T. Coneybeare of Richvale, Richmond Hill, recently graduated from Upper Canada College.

He was appointed Head Boy of the college for 1974 and won the Governor-General's medal. He also won the Joseph Hetherington Bowes Prize in English; the James Scott Prize in Mathematics and an Ontario Government Scholarship to Queen's University, Kingston, where he will take up residence this fall.

Joseph is employed for the summer in Calgary, Alberta.

1:00 p.m. sharp

MEETINGS

Stanhope Township council

All Members Present.

Moved by Jim Harrison seconded by Al. Rawlins Be it resolved the minutes of the regular meeting held June 5, 1974 be adopted as circulated. Carried.

Moved by Elvin Johnson seconded by Ken Whitney Be it resolved that the Township of Stanhope donate $25.00 to the Carnarvon Ladies Ball Team. Carried.

Moved by Jim Harrison seconded by Ken Whitney Be it resolved that Council recommend to the Ministry of Transportation and Communications that they take over the Park at Buttermilk Falls on the stipulation that the Ministry install coloured lights on the falls and rock faces as an "evening tourist attraction as well as a beautiful daily picnic area". This has been the intent of Council for some time and council would like to see the Ministry progress with this program. Carried.

Moved by Al. Rawlins seconded by Elvin Johnson Be it resolved that the Corporation of the Township of Stanhope contact the Ministry of Natural Resources requesting that grants for Municipal Park development already approved by considered a solid committment. Municipalities find themselves in an untenable position, when, after having proceeded with a plan approved by the Ministry, under the grant system, they now find that 50% of funds necessary to complete the Project may not be forthcoming. Carried.

Moved by Al. Rawlins seconded by Elvin Johnson Be it resolved that council support the resolution passed by the Township of Pittsburg requesting that Provincial Legislation be introduced which would authorize the increase of present monthly penalty for the non-payment of taxes to Municipalities. Carried.

Moved by Jim Harrison seconded by Al. Rawlins Be it resolved the clerk invite Mr. George A. Hamilton, Director of the Leslie M. Frost Natural Resources Centre to the next council meeting. The purpose of the meeting will be to get further explanation on the purpose of this new project. Carried.

Moved by Jim Harrison seconded by Ken Whitney Be it resolved the clerk contact Mr. D. R. Swan, advising the Buckslide Road has or will be receiving a dust control treatment which should eliminate his problem. Carried.

Moved by Jim Harrison seconded by Elvin Johnson Be it resolved that council strongly supports the resolution passed by the City of Nanticoke, regarding a recommendation that a provincial lottery be introduced, the funds of which would be set aside to be used by Municipalities in case of undue financial burdens from natural disasters such as flood, wind etc. Carried.

Moved by Ken Whitney seconded by Elvin Johnson Be it resolved council inform the Ministry of Natural Resources that Claim # 1/73 for subsidy on expenses which occurred on the development of the Hawk Valley Park, was for the year 1973 and the work approved by the Ministry, pror to commencement. Carried.

Moved by Elvin Johson seconded by Ken Whitney Be it resolved the clerk inform Mr. Peter Hone, his request for the purchase of the old school house cannot be considered as it is now privately owned and the Stanhope Recreation Club is simply using the facilities of the grounds for the summer. Carried.

Moved by Ken Whitney seconded by Al. Rawlins Be it resolved that Mr. Leon H. Dragon be informed that municipal records indicate the original allowance for road along the shore of Maple Lake, in front of Lot 27, Con 6 has not been stopped up and closed. Carried.

Moved by Elvin Johnson seconded by Jim Harrison Be it resolved that general accounts totalling $7,151.73; June Welfare totalling $345.05 and Road Voucher # 6 amounting to $10,725.27 be allowed for payment. Carried.

By-Law 74-17 to authorize the Reeve and Clerk to execute documents relating to a fire protection agreement with the Townships of Anson, Hindon and Minden, was received and read a first time. Carried.

By-Law 74-17 was read a second time and referred to a committee of the whole council with Jim Harrison apointed chairman. Carried without ammendment.

By-Law 74-17 as reported by the committee of the whole was read a third time, passed, signed and sealed. Carried.

Moved by Jim Harrison seconded by Elvin Johnson Be it resolved this meeting lo now adjourn at 1 a.m., until August 14 at 7 p.m., unless called sooner by the Reeve. Carried.

Council of Anson, Hindon and Minden — 13th meeting

The thirteenth meeting of the council of the Townships of Anson, Hindon & Minden was held in the Council Chambers of the Municipal Building Wednesday, July 10, 1974 commencing at 9:00 a.m.

Present were Reeve Reg Booth in the Chair, Deputy Reeve Douglas Pritchard, Councillors S. Brandon, A. Coneybeare, R. Gorrie, Richard Parisotto, Clerk-Adminstrator, J. Earl Hewitt, Road Superintendent, Richard C. Schell, By-law Officer.

R. Gorrie-S. Brandon: That the minutes of the meeting of June 26th, 1974 be approved. Carried.

Membership request was received from the Ontario Association of Rural Municipalities. No action was taken in this regard for the present.

S. Brandon-R. Gorrie: That the Vault Subcommittee of the Minden Cemetery Board be authorized to meet with the Ingoldsby Cemetery Board to discuss vault facilities pursuant to the report of the Board dated June 28, 1974. Carried.

Mr. Lionel Rowe was present regarding a depression on Anson Street that is affected seriously by flooding, becoming impossible. Council directed that the section be raised to alleviate the problem.

D. Pritchard-S. Grandon That approval be given to purchase one intake, two exhaust and ten circulatory fans for the rink area of the community centre at a cost of $2,678.94. Carried.

Mr. Bob McCallum of Ontario Hydro was present to outline the details and costs of the proposed streetlighting programme.

R. Gorrie-D. Pritchard That the proposal of Ontario Hydro for the development of a complete streetlighting area for Carnarvon be approved at an approximate annual charge of $900.00 in addition to the capital outlay of $515.00. Carried.

R. Gorrie-S. Brandon That the proposal outlined for the illumination of the Municipal Building grounds and the southern entrance to the Village be approved at an increased annual charge of approximately $124.00. Carried.

Letter was received from Mrs. B. Cryderman requesting a building permit. The applicant to be advised to comply for same through the Building Inspector's Office.

Correspondence was received from Ministry of Transportation and Communications and Mr. E. G. Skirrow regarding a reduced speed limit of the Blairhampton Road. Mr. Skirrow is to be advised that the limit could not be reduced as the Ministry's regulations require a higher density of development before such action would be approved.

Letter was received from Charles and Elizabeth Tossell regarding trees posing a hazard on park land near Lake Kashagawigamog. The By-law Officer is to investigate and arrange a possible solution to the problem.

Letter was received from Mr. C. Hobbs expressing concern about the appearance of the Minden Tire Sales yard and requesting compliance with the by-law. Council visited the property in question and received assurances from the owner that action would be taken immediately.

Letter was received from

D. Pritchard-S. Brandon That the surcharge of 1974 Membership dues in the amount of $24.00 for the Haliburton Highlands Chamber of Commerce be approved. Carried.

The Clerk was directed to reply to the Ministry of the Environment expressing the Municipality's position on the matter of office accommodation for the purposes of the Ministry in Minden.

The Road Superintendent reported that the culvert change requested by Mr. Victor Borisenko has been made. There is doubt that the change will meet the expectations of benefit by the applicant.

Letters were received from Mr. Don Hall and Mrs. Aileen E. Blears regarding the condition of the banks on Gull river. Council visited the sites in question and directed that remedial action be taken at the earliest date.

R. Gorrie-A. Coneybeare That the following items be purchased for the Fire Department at an approximate cost of $500.00

1. Floating suction strainer
1 1½" fog nozzle
2 spare air tanks
300' 1½" hose

Carried.

Letter was received from the Lake Kashagawigamog Tourist Association requesting Dusk to Dawn Lights at the inter-section of Highway #121 and the Kashagawigamog Lake Road. As this is a junction of a provincial highway and a county road, the Municipality will approach those bodies with regards to this proposal.

D. Pritchard-S. Brandon That the Road Accounts be approved in the amount of $31,268.65. Carried.

A. Coneybeare-R. Gorrie That the Accounts be approved in the following amounts

General	-	$34,896.01
Water	-	6,408.46

Carried.

R. Gorrie-S. Brandon That Applications #74-32 to #4-55 under Section 636(A) of the Municipal Act be approved in teh amount of $1,661.46. Carried.

A. Coneybeare-D. Pritchard That the following applications under Section 636 (B) of the Municipal Act be approved

Roll 31305000201 - That an assessment of $80.00 be established for Ruth Shiriff being an apportionment from George Jewett.

Roll 31306000201 - That an assessment of $1760 be established for Ruth Shiriff being an apportionment from George Jewett.

Carried.

Mr. R. B. Allison, P. Eng., District Municipal Engineer was present on request to discuss the procedures for the general use of Municipal equipment. The procedures were outlined to the satisfaction of Council.

R. Gorrie-S. Brandon That By-law 74-25 having been read a first time be considered as read a second and third time and passed. Being a By-law to amend By-law 14-67 to correct the numbering sequence thereof. Carried.

R. Gorrie-D. Pritchard That By-law 74-26 having been read a first time be considered as read a second and third time and passed. Being a by-law to authorize the sale of land acquired by tax registration. Carried.

R. Gorrie-A. Coneybeare That we d now adjourn. Time 4:55 p.m. Carried.

and

14th (special) meeting

The Fourteenth Meeting (Special) of the Council of the Townships of Anson, Hindon and Minden was held in the Council Chambers of the Municipal Building Wednesday, July 24, 1974 commencing at 9:00 a.m.

Present: Reeve Reg Booth in the Chair, Deputy Reeve, Douglas Pritchard, Councillors, S.— Brandon, A. Coneybeare, Richard Parisotto, Clerk-Administrator, Richard Schell, By-law Officer.

S. Brandon-A. Coneybeare That the minutes of the meeting of July 10, 1974 be approved. Carried.

Council directed that a municipal float be prepared for entry in parades and if possible, in time for the Rotary Carnival Parade.

Letter was received from Mrs. Blanche Cryderman requesting that entrances to her property from the road allowance adjacent to the property be restored to their original condition. Mr. Bruce Nesbitt to be so advised. Carried.

Mr. Roger Johnson was present to discuss a possible Minor Variance application. While the authority for granting minor variances remains exclusively in the jurisdiction of the Committee of Adjustment, it was generally felt that Council would submit its opinion on this unusual application for the benefit of the Committee's deliberations. After being discussed thoroughly, the matter was referred back to the Applicant and the Building Inspector to determine the maximum variance required for the project.

S. Brandon-A. Coneybeare That one model 518 Tallescope Portable Scaffold be purchased from Up-right Scaffolds Ltd. at a cost of $1,338.30. Carried.

Mr. and Mrs. Gardiner were present on behalf of the Bartlett Estate regarding the finalization of the agreement pertaining to the subdivision. The various outstanding matters were discussed and the applicant will advise the Clerk of their wishes in the matter.

Letter was received from Mr. Sinclair Nesbitt requesting re-zoning of property for a trailer park and camp. The applicant is to be invited to the next meeting to discuss the proposal.

The Clerk was directed to prepare a report on the need for storage for various municipal equipment and supplies primarily at the Community Centre.

D. Pritchard-S. Brandon That Applications #74-56, 75-57 and 75-58 under Section 636(A) of the Municipal Act be approved in the amount of $230.80. Carried.

A. Coneybeare-D. Pritchard That the M.T.C. be requested to place Stop signs at Mountainview Drive, 12 Mile Lake Road, old Highway at Garner's Hill and Jordon Drive. Carried.

That we do now adjourn. Time: 12:00 P.M. Carried.

TODAY'S HEALTH

'Look before you leap' can prevent water accidents

by David Woods

"Come on in, the water's fine," is an expression often heard at this time of year.

But before you accept, make sure you know what you're getting into.

Last year in Ontario, 483 people drowned—a fact that should induce caution in even the most experienced swimmers and boat enthusiasts. It's no accident that those who are professionally involved with boats and water sports are highly alert and disciplined in matters of safety.

Before venturing into unfamiliar waters, check that there's a firm, safe bottom with no sudden drop-offs, no rocks or weeds, no strong currents. Above all, never dive into strange water; one of the commonest water accidents is a spinal injury from a head-on dive into shallow water.

Once you've made sure that the swimming area itself is safe, don't take the risk of swimming alone; no matter how strong a swimmer you may be, you could run into trouble and need help.

Children playing near a pool, a lake or the sea should be supervised at all times. It's possible to drown in as little as three or four inches of water. The best precaution is to teach youngsters the basics of water safety, and to enrol them in swimming classes as early as possible. Never let non-swimmers rely on rafts, inner tubes or inflatable toys.

These are some other common-sense precautions for swimmers. Wait two hours after eating before going in the water; never swim after dark — and don't be overconfident. You may be able to swim 50 yards *out* from the shore, but what about the trip back?

Avoiding danger in the water is one thing. But you should also know something about coping with it for others. To help someone in trouble in the water, you should know how to throw a lifebelt or rescue line, and how to give mouth-to-mouth artificial respiration. It's worth remembering that, for those who have sustained spinal injuries, the water can act as a splint until help arrives; removing them from the water — if they're not in danger of drowning — may make matters worse. And remember, mouth-to-mouth resuscitation can be applied while in the water.

Many drownings are associated with boating. Always wear a lifebelt. Never overload the boat, and, if you take a ducking, hang on to the boat even if it has capsized. A boat is much easier for rescuers to spot than a swimmer would be.

The Canadian Red Cross Society recommends that if someone falls overboard, you don't go in after him: extend a pole or an oar for him to grab. If he's out of reach, throw something he can use as a float — if there's no lifebelt, a gas can, a thermos jug or a plastic cooler will do.

To improve water safety, the Ontario Government passed a law this January requiring public swimming-pool owners to provide one or more reaching poles at least 12 feet long, a fracture-board for recovering and transporting those who incur spinal injury in the water, and a comprehensive first-aid box.

But, for the most part, it's up to you to make sure the water's fine.

Proud papa: Dazed but delighted, the proud father walked into the nursery where his quintuplet daughters were being cared for.

"You mustn't come in here," cautioned the nurse, "you're not sterile."

"Lady," said the proud father, "you can say that again."

FALL-FAIR TIME FOR EATING

When was the last time you went for a ride in the country; maybe visited one of those smaller town fall fairs, or spread a checkered tablecloth by the side of the road and satisfied a warm day's appetite with sandwiches and cool lemonade?

It sounds like a great way to spend a family day, especially when you know that rural exhibitions really haven't changed much since childhood days. Remember the scent of the prize smoked hams, the colourful designs of the patchwork quilts, and the sweetness of the candied apples?

Why not pack a family expedition lunch and try it soon? Your picnic basket might include Cinnamon Rolls, Orange Fold-overs, a big jug of fruit juice or old-fashioned iced-tea, cool celery or carrot sticks, and sandwiches. Ham Salad sandwiches are a savoury treat everyone is sure to like, and they are nutritious. The ham itself is full of protein, and the bread, the most under-rated part of any sandwich is bursting with 'B' vitamins and iron. The bread is low in fat, low in calories, and even low in sugar.

This lunch is sure to give you and yours enough energy to round off any day in the country!

Ham-Salad Sandwiches

2 cup diced cooked ham
½ cup finely diced celery
1 tbs. grated onion
⅓ cup mayonnaise
1 tbs. prepared mustard

Blend all ingredients together. Makes 6 sandwiches.

Cinnamon Rolls-Ups *Serves 8*

Blend 4 tablespoons butter or margarine, ½ cup brown sugar and 1 teaspoon cinnamon in a bowl. Trim crusts from 8 slices white bread; roll out flat; spread with butter mixture; roll up; place on a cookie sheet. Brush with melted butter. Bake in 425°F. oven for 10 min. or until toasted.

Orange Fold-overs *4-6 Servings*

Mix 1 package 3 ounces cream cheese, and ¼ cup orange marmalade in a bowl. Spread 1 lbs. on each of 10 slices white bread; fold diagonally; press edges to seal. Place on cookie sheet; brush with cream; sprinkle with coconut and sugar. Bake in 400°F. oven for 10 min. or until toasted.

A Wise Word to Property Owners

Most property owners desiring to sell, believe by listing their property on M.L.S. through any real estate board that Realtors and Salespersons throughout the land will receive a picture along with a copy of the listing and will be working to sell their property.

'WRONG'.....

There are approximately 43 real estate boards in Ontario. Most Realtors and salespeople belong only to their own local board. Therefore, in most cases only receive the listings from this board.

To ensure that you receive proper servicing on the sale of your property in the Victoria-Haliburton area, be sure to list with a member Realtor, located in this area.

The LINDSAY-HALIBURTON REAL ESTATE BOARD consists of 229 members waiting to help sell your property for you.

Oldsters' art exhibit

The Coboconk New Horizons Art Group is currently exhibiting its members' best works this week at the Old Stone Schoolhouse Art Gallery and Craft Co-Operative on Green Gables Road, near Moore's Falls. For the past year, Mrs. Edith Sanders of Moore's Falls has been instructing the senior citizens group. Above, Mrs. Sanders (left) views a flower painting by Mrs. Ivy Boyce (right) of Norland. The show will run to August 10.

Union scale: What a holler would ensue if people had to pay the minister as much to marry them as they have to pay a lawyer to get them a divorce.

— Claire Trevor

Weather

By P.M. GRAHAM

Average high		76.6
Average low		51.2
Average for month		63.6
Average for July, 1973		66.5
Highest temp. July 9	86	
Lowest temp. July 16	37	
Rainfall	2.7 in.	
Days with thunderstorms	6	
River water temp. July 31		72

July was a fairly pleasant month with warm, sunny weather up to July 25, when the 'monsoon' season began. During this warm period the average daytime high was in the 80's, even with this the average for the month was 3 degrees below last July.

In answer to Norm Maidens comments, Celsius is the same as centigrade and we are slowly being brain-washed into using this instead of Fahrenheit as we now use.

Celsius was a Swedish astronomer and inventor of the centigrade thermometer in 1742. He lived from 1701 to 1744 and made studies of the northern lights a past-time.

To convert from Fahrenheit to centigrade subtract 32 from the Fahrenheit reading, multiply by 5 and divide the product by 9.

FORTHCOMING MARRIAGE

Mr. and Mrs. Nelson Austen are very happy to announce the forthcoming marriage of their youngest daughter, Dorothy Margaret (MARGO) to Paul Lavern, son of Mr. and Mrs. Holly Sisson, West Guilford on Saturday August 24, 1974 at 6 o'clock at St. Paul's Anglican Church, Minden.

BIRTH ANNOUNCEMENT

THOMAS - David and Diane are pleased to announce the birth of Catharine Minden, on July 24, 1974, at Binghamton, N.Y. Happy grandparents are Mr. and Mrs. Walter Thomas, Whitney Point, N.Y. and Mr. and Mrs. George Dennis, Big Hawk Lake, Ontario.

CARD OF THANKS

The Minden Curling Club wishes to thank everyone for their contributions of articles to our auction and rummage sale and also the members for all their help and support.

Thank you Dr. Koval for attending my son Paul when he stepped on a nail while visiting in Minden on business and he forgot to leave the 2x4 behind. You were very kind and gentle when I brought Paul, nail and board to your hospital recently.
Don Hilliard,
Haliburton.

IN MEMORIUM

FORD-KING, Samuel William - Suddenly at Minden, Ont. on Monday, July 29, 1974, William Ford-King, beloved husband of Nellie Nigh, loving father of Ethel (Mrs. William Walker), Brampton, Jean (Mrs. A.
